Re: Mango Labs LLC v. Avraham Eisenberg, 23 Cv. 665 (LJL)

Dear Judge Liman:

The Government writes in response to this Court’s request for a status update on the stay in the above-captioned case. On April 12, 2023, this Court granted the Government’s unopposed motion to stay the above-captioned case, in light of the criminal indictment filed against Avraham Eisenberg in *United States v. Eisenberg*, 23 Cr. 10 (AS). On April 18, 2024, a jury convicted Eisenberg commodities fraud, commodities manipulation, and wire fraud. The parties are currently briefing post-trial motions, and sentencing is scheduled for October 1, 2024. In light of the completing of the trial, the Government would not object to lifting the stay in the above-captioned case, if the Court would like to resume those proceedings.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
